

BSG Wireless partners with Lemon Advisors.

July 20, 2016 (San Antonio, TX, US and Aldermaston, United Kingdom) BSG Wireless, a subsidiary of Billing Services Group Limited ('BSG'), today announced a strategic partnership with Lemon Advisors UK Ltd. ('Lemon'), a leading technology consultancy to assist and strengthen business development activities in emerging markets.

Lemon, with offices in the UK and India, have an impressive network of customers across 38 countries. Commenting on the announcement, Richard Scott, CEO of BSG Wireless, said "We are delighted to strengthen our activities in emerging markets, both technically and geographically, and look forward to Lemon adding significant value to not only our own but our prospective customers' businesses."

"BSG Wireless is recognised globally as a long-standing leader in the Wi-Fi industry; as we work with customers who have increasingly complex issues, unlicensed technology like Wi-Fi will play a critical role in getting users online" said Subhash Ghosh, Founder and Managing Director of Lemon Advisors UK Ltd.

About BSG Wireless

BSG Wireless is an innovative Wi-Fi solutions provider, delivering managed services and products to carriers who want to build, manage, charge for and market their wireless services securely and efficiently. We assist some of the world's leading wireless operators in managing their global wireless roaming footprint, location directories, payment gateway and credential issuance systems to ensure a reliable, secure and seamless customer experience. BSG is a leader in the Wi-Fi industry and are a major contributor to the Wireless Broadband Alliance (WBA).

BSG Wireless is a subsidiary of Billing Services Group Limited, which is traded on the London Stock Exchange (AIM: BILL). For over 25 years, BSG has been a leading provider of telecommunications clearing and financial settlement products, Wi-Fi data solutions and verification services.
